

Acton Action Plan Wednesday 17th April 7pm Acton Village Hall

Come to Acton Village Hall April 17th at 7pm and help us produce a wish list of improvements for Acton.

Help our Councillor Working Group produce as list of tasks that can be added to our 2024 Action Plan.

Tasks should be featured around parish infrastructure improvements. Inform Councillors of your ideas and support suggestions made by other residents. The more ideas we have to consider, the more we can achieve.

This is your community; councillors want to hear from you!

The Annual Parish Meeting will commence at 7.30pm.

Acton Parish Council consulting with you!
